Ukraine Small Grants

What is the aim of this funding?

We have established this Grant Scheme to support the integration of Ukrainian guests into the community. This grant can assist in funding activities, events, and initiatives organised by a variety of local people, community groups, and even hosts.

Applicants will need to complete a short application form and demonstrate that their activity promotes integration and reduces social isolation.

We want to encourage activities and ideas that will help Ukrainian Guests meet and socialise, learn English, get creative and generally have fun.

Who can apply?

- A Parish Council
- Community group (constituted and with a bank account)
- Informal group (with the written support of their Parish Council or District Councillor/s for the project)
- Host (with the written support of their Parish Council or District Councillor/s for the project) providing the idea has a reach beyond their own guest
- **Generally - anyone**

What can you apply for?

- Up to £300 grant to be awarded per activity / event / project
- The grant would cover the cost of such things as venue hire, equipment, transport, instructor time, refreshments – whatever helps you make it happen!
- Quotes welcome but not necessary – just a breakdown of anticipated costs

What you can't apply for:

- Activities that charge a fee
- Activities that generate profits for private gain
- Items which only benefit individuals, rather than groups (for example: bursaries and equipment that is not shared)
- Activities promoting political activities or religious belief
- Activity that has already happened. Funding cannot be used retrospectively to pay for things that have already been delivered, however you can use it to fund further provision of activities you have already started
- Extending activity that is already funded through contracts by South Cambridgeshire district Council.

Examples of activities we have funded

- Christmas Parties
- Graduation Celebrations
- Drama Sessions
- English Lessons
- Transportation to events
- Day trips
- Events for children
- Book Fest
